When Bianca finds out her boyfriend cheated on her with a classmate (Dory), she's furious and out for revenge. Bianca and her best friends, Fallyn and Sarah, team up to play a prank on the girl to make her pay. The three lure her to a remote location, intending to abandon her, so she has to walk home alone in the dark. But, when Dory doesn't show up to school the next day, everyone, including Bianca, start to worry… It's not until Dory's dead body is found and Bianca, and her mother go to the police, that this childish prank leads to an more adult outcome… an outcome where one murder may not be enough to silence the truth.
