Sarah's refusal to give up is inspired by a lone voice on her radio - Michael (Joshua Leonard) - who broadcasts dim and distant messages of hope mixed with the music he scavenges from the dead. Forced from her basement home by drought and relentlessly pursued by those who want her baby, Sarah crosses paths with Michael in a cavernous, underground refuge of disparate survivors. It is from Three Caves that Michael and Sarah will embark on a journey beyond the boundaries of the Southern Corridor - and into the unknown.
