MIAMI, FL — Now celebrating their 25<sup>th</sup> Anniversary, leading independent home entertainment studio **MTI Home Video** has once again teamed up with **Digital Playground** to release the R-rated version of **PIRATES II: STAGNETTI'S REVENGE**. MTI will release the film on DVD and Blu-ray, marking the indie's first entry into the HD format.

Superstar, Jesse Jane® returns as the sexy, swashbuckler Jules—pirate hunter and seducer, leading an all star cast that includes Digital Playground contract girls Shay Jordan™, Katsuni, Stoya™, Gabriella Fox™, and Riley Steele™, alongside industry favorites BellaDonna, Sasha Grey, and Jenna Haze. Ready with swords drawn high, Evan Stone returns as rogue pirate hunter Capt. Edward Reynolds, Tommy Gunn reprises his role as renegade pirate Capt. Victor Stagnetti, and Stephen St. Croix reprises his groundbreaking role as Marco.

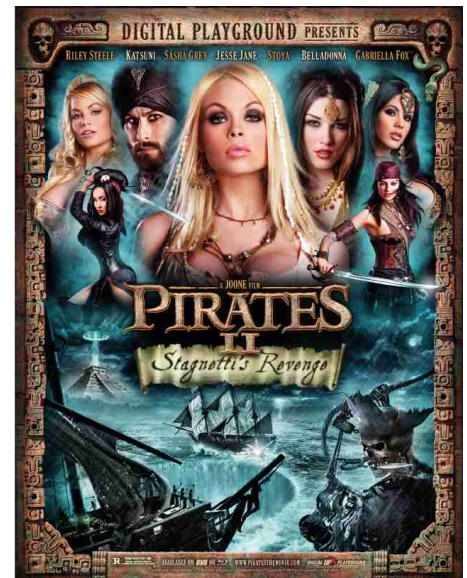

**SYNOPSIS:** To save Sarina from execution, Capitan Edwards and Jules accept a mission from the king to capture a barbaric pirate. Along the way they discover the evil Pirates' plans for resurrecting Victor Stagnetti. Unable to stop them, they are faced with Mayan dragons, warrior skeletons and sea monsters - with the spectacular final battle fought on the ships' decks with expert swordsmanship and explosive cannons.

Directed by the internationally awarded and highly acclaimed writer/director Joone, **PIRATES II** is the thrilling, erotic sequel to Digital Playground's 2006 blockbuster hit, "Pirates." Combining intense performances with wildly passionate scenes, ten times the budget, and over 600 special effects, **Pirates II: Stagnetti's Revenge** is the most expensive and comprehensive cross-over film in history! Joone was so dedicated to the film's legitimacy that a full-scale ship was built to film on.

"Pirates" was hailed as the largest epic in the history of adult films. The most expensive adult effort yet produced, the feature was lauded with awards from every associated panel, notably a record-breaking 14 from AVN to date, including Best Selling and Best Renting title honors. Building upon the success of the film within its traditional market, the studio received an additional R-rating from the Motion Picture Association of America, thus gaining mainstream recognition and distribution, making a theatrical release of a "Pirates" sequel imminent.

DVD features include: 16:9 widescreen format, 5.1 Dolby surround sound, making of FX, Pirates 1 premiere party, Pirates rated trailer, Pirates 2 rated trailer, stars audio commentary, deleted scenes, Pirates 1 makes history AVN 2006, bloopers, chapter selection, slide show and optional Spanish subtitles.
