HIDE

Where Tarantino Meets "Bonnie and Clyde" - June 30th on DVD

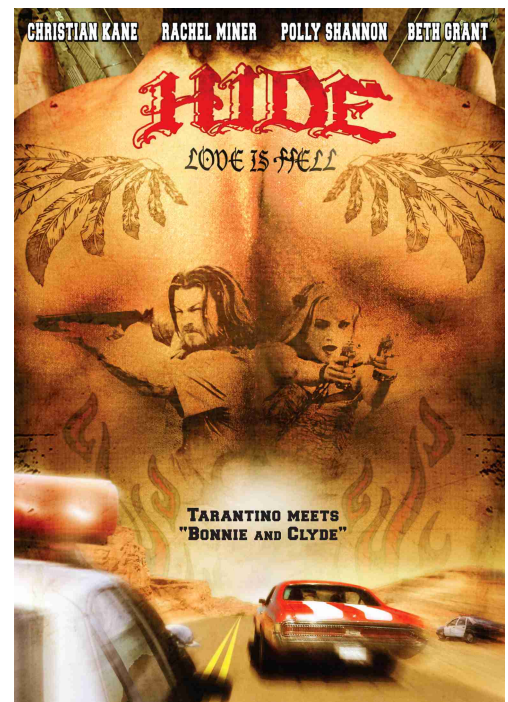

FOR IMMEDIATE RELEASE:

MIAMI, FL — Now celebrating their 25th Anniversary, leading independent home entertainment studio **MTI Home Video** is set to release the action thriller **HIDE** on DVD June 30, 2009. Sexy, dangerous, and madly in love... HIDE is a modern day "Bonnie and Clyde" - with a twist. Follow Billy and Betty, the South's most notorious couple, down a path of destruction, mayhem, and murder, as they live and die in a world where it's acceptable to take whatever you want... though the consequences are deadly.

After ruthlessly killing innocent victims in their latest bank robbery, Betty escapes, but Billy is caught by the police and sentenced to life in prison. However, seven years later a technicality brings about a new trial... and a chance for Betty to bust him out during a transfer. While on the run to uncover a hidden stash of money, Billy confesses that he is no longer her reckless and carefree partner in crime and that someone is targeting those close to him. Finally at their destination they find that the whole town is abandoned... or is it? They are a bout to meet their judge, jury and executioner... all rolled into one.

HIDE was directed by K.C. Bascombe (*Fear of the Dark*), written by Greg Rosati (*Fish Out of Water*), and produced by Nick Seferian (*\$windle*).

DVD Features include: 16:9 widescreen format, 5.1 Dolby digital surround sound, "Behind-the-Scenes – The Making of Hide," interactive menus, scene selection, trailers and optional Spanish subtitles.
