

MTI BRINGS THE INTERNATIONAL BLOCKBUSTER

STORMFORCE

TO DVD MARCH 10th!

FOR IMMEDIATE RELEASE:

MIAMI, FL — Now celebrating their 25th Anniversary, leading independent home entertainment studio **MTI Home Video** will next release the action adventure film **STORMFORCE** on DVD March 10, 2009.

The film zeros in on maverick army diver, Rick Symons. He has never played by the rules and when he's accused of going too far, during a top brass military reception, his commanding officer has no choice but to demote him to the Air Forces 40th Search and Rescue squadron. After joining the Sea King helicopter rescue crew, he finds himself face to face with an attractive, yet feisty, medic whom he badly showed up on a former training exercise. But then, just as Rick is about to turn his back on her, the crew and his entire career, a distress call comes in - a ship is on fire and sinking fast. With people trapped on board, this time - Rick can't just walk away.

Belgian director Hans Herbots (*Verlengd Weekend, 10 jaar leuven kort*) and screenwriter Pierre De Clercq (*Flikken*) masterfully tell the heroic story along with internationally renown actors Kevin Janssens (*Vermist*), Veerle Baetens (*Loft, Alias*), and Koen De Bouw (*Indringer, De, Zaak Alzheimer, De*).

DVD features include: English language and original Belgian version in Flemish with English subtitles on 1 Disc in 16:9 widescreen format, 5.1 Dolby digital surround sound, interactive menus, scene selection, trailers and optional Spanish subtitles.
